MARKET NEWS AND GRADING DIVISION MEMORANDUM LSM-GX-35

To: Regional and Area Meat Grader Supervisors

From: Fred J. Beard, Market News & Grading Division, Livestock and Meats Branch

Subject: Filing and disposing of carbon copies of meat grade certificates Form FDA-460 by field offices

In order to conserve filing space and to facilitate maintenance of records, authorization is now granted to dispose of carbon file copies of meat grade certificates and companion fee bills, Form FDA-467, as scrap paper for salvage 90 days after issuance pursuant to receipt and clearance of payment therefor.
